

**Angela Varpness**, Registered Architect, Assoc. AIA

Angela Varpness is an Associate and Project Manager at James Dayton Design. Angela joined James Dayton Design in 2004 while attending graduate school for her Master of Architecture degree. While at James Dayton Design, Angela has been involved in the design of many projects. Angela brings exceptional design talent, problem solving and organizational skills, and dedication to each of her projects. Angela is a licensed Architect in the State of Minnesota.

Angela has been a guest design critic for graduate design studios at the University of Minnesota College of Design (CDes). She is currently a professional mentor to undergraduate and graduate architecture students at the College of Design School of Architecture. While at the University of Minnesota, Angela was a teaching assistant for graduate and undergraduate design and architectural history courses. She also volunteered as a mentor to high school students interested in architecture through the Weisman Art Museum's educational programs.
